# Covid Safety

Spybar requires proof of vaccination, and for unvaccinated guests, will accept a negative PCR test within 72 hours of the event for entry into the venue. Patrons must have a completed COVID-19 vaccine card, with their final dose administered at least 14 days prior to the event -or- a negative PCR test from a licensed doctor, pharmacy, or clinic bearing the same identifying information as the identification presented.

We strongly encourage our patrons to continue to wear a mask when not drinking to optimize the safety of our events.
